High Spots In Our New Addition

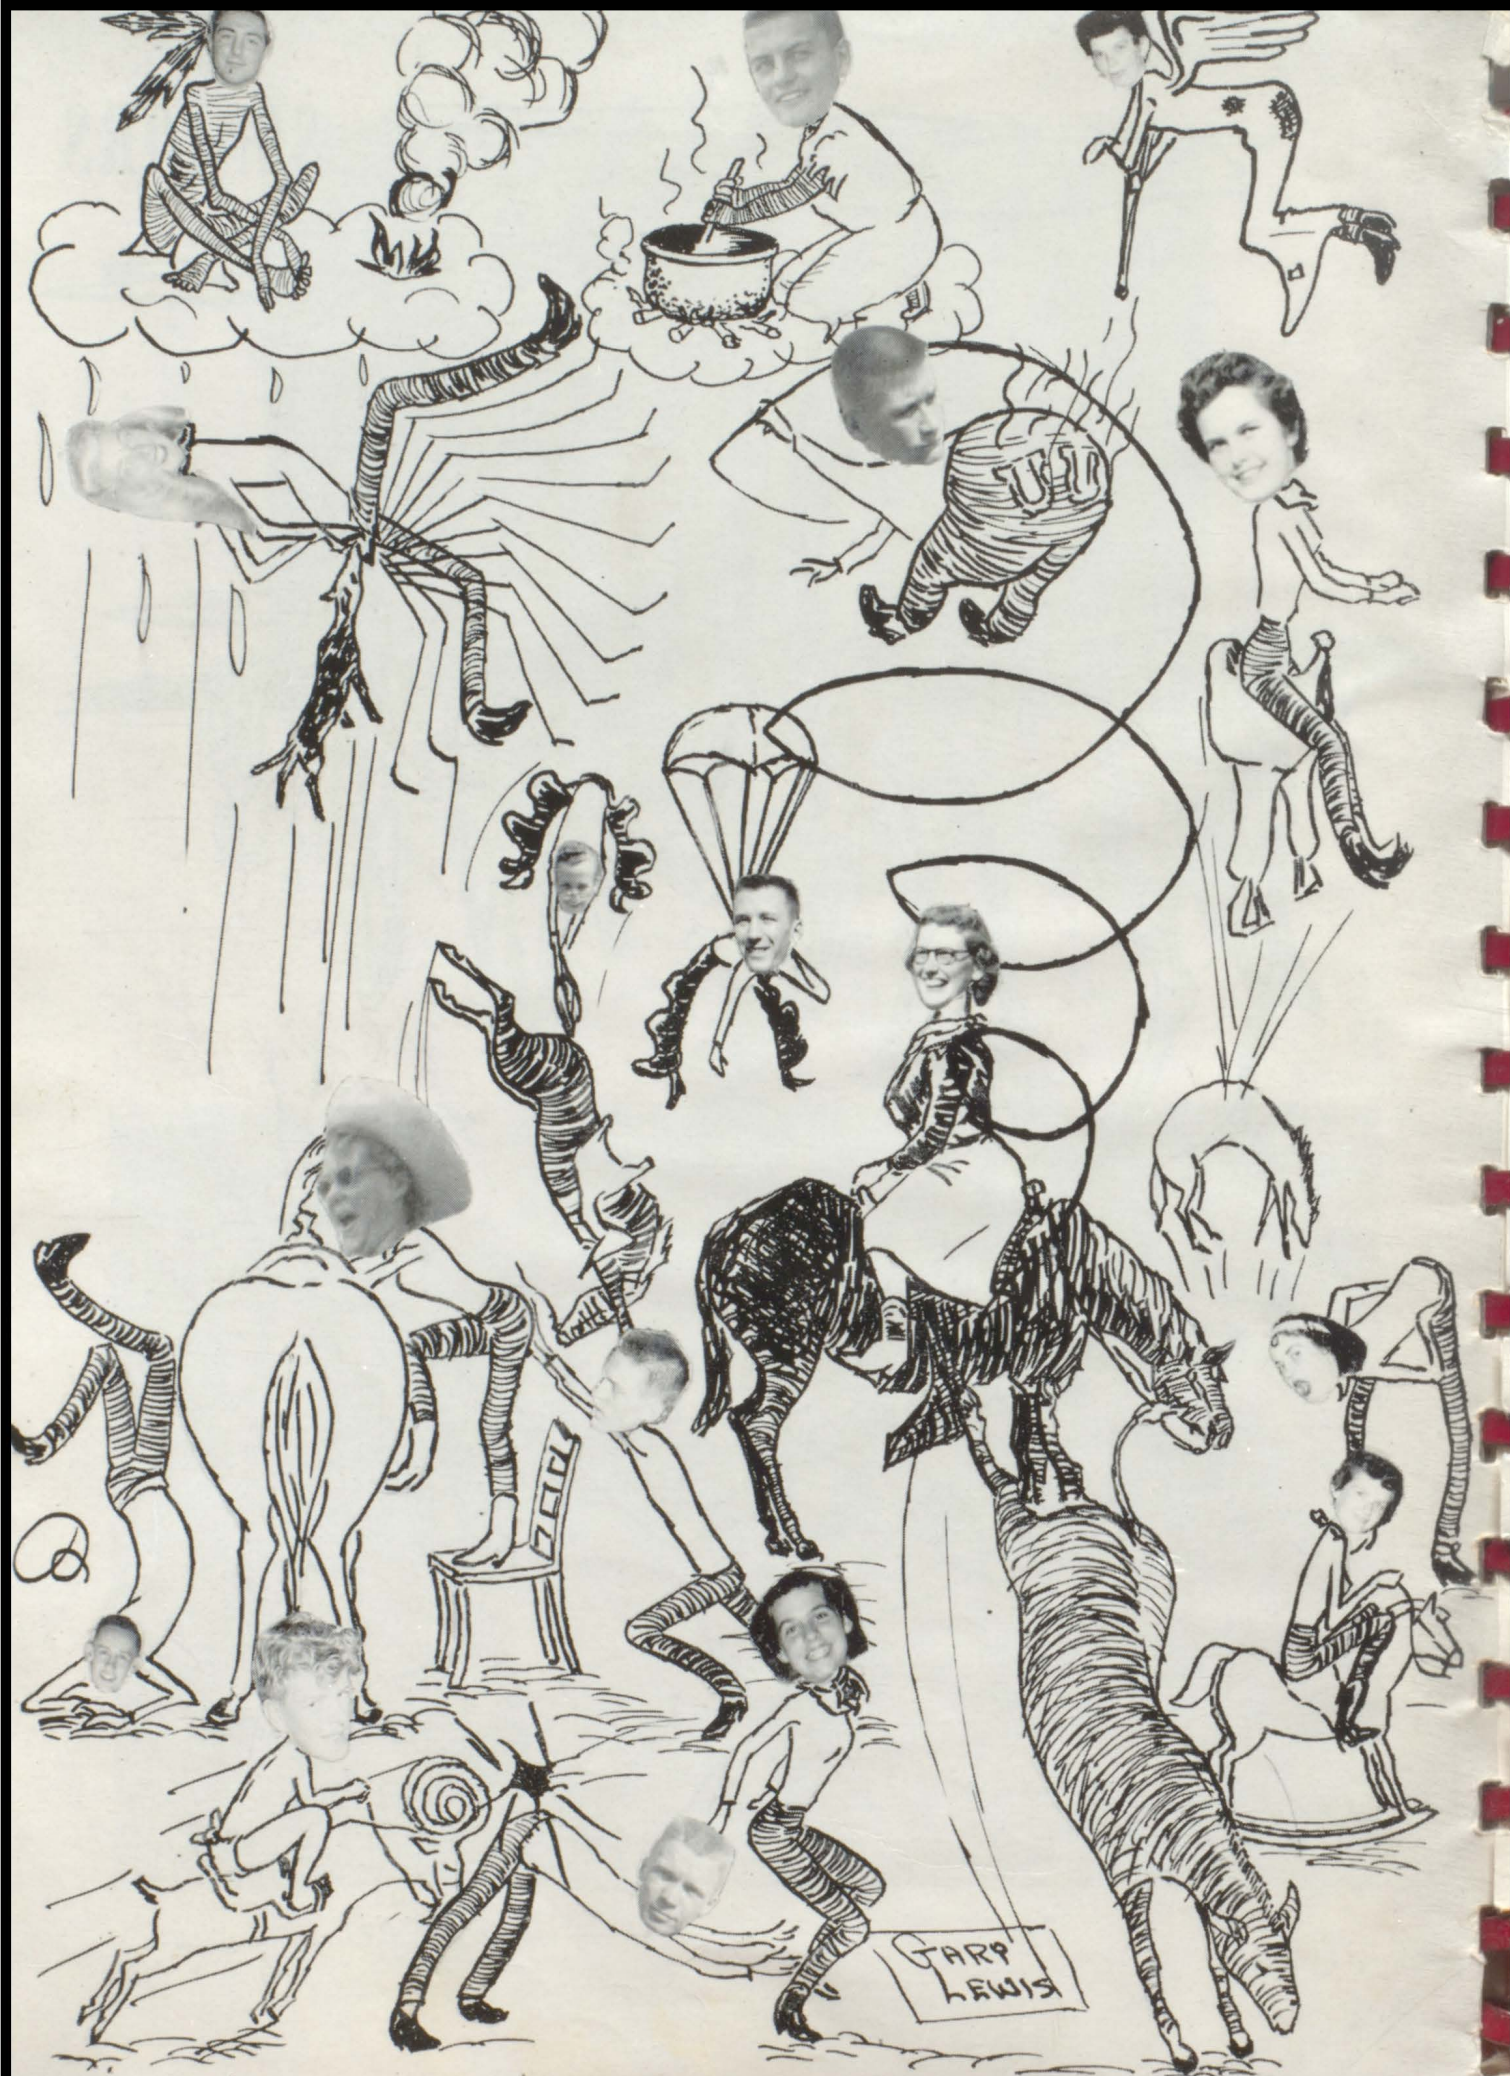

The top picture is a shot of a general shop class. The bottom picture is of East's new swimming pool. The pool is 75 feet long and 42 feet wide and has a seating capacity of 1500. It is one of the most beautiful and up-to-date pools and is better equipped than 75 per cent of the college pools in the United States. As a starter, city and state meets will be held here this year.

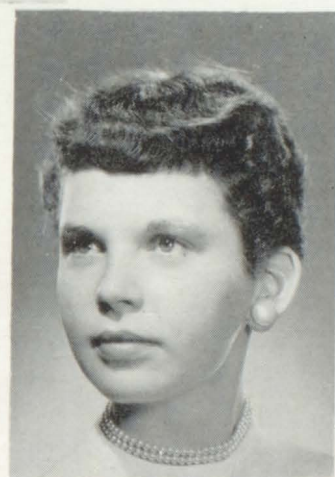

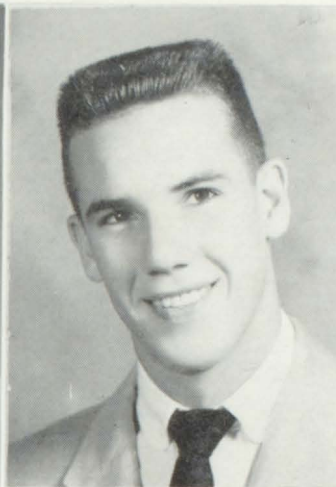

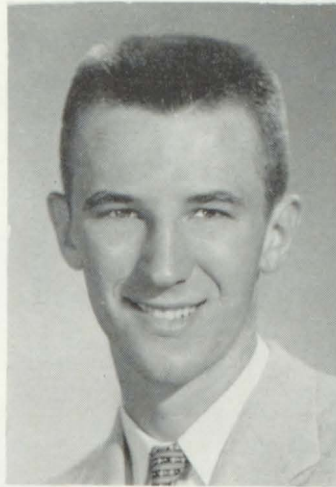

Above is pictured the new swimming pool.

Wranglers

Ropin', ridin', and ranchin' are not taught by the Wranglers of East High. But just as the wranglers of the old west rode herd on the cattle, so our teachers ride herd on the students, hoping to brand knowledge into them. Looking at some of the "material" turned out they evidently did a top-notch job. They deserve an A-1 rating on anyone's ranch. THANKS.

The "Pacemakers"

These loyal law enforcers have a meeting every Tuesday morning before the chores of the day are started. The members of our Student Council are chosen each semester by the other members of their homeroom. They try to make our life on the ranch as comfortable and enjoyable as they possibly can. But we can help them, too. We can give suggestions to our homeroom student council members. The officers of this year's student council are: Denny Ross, president; Ronnie Larson, vice-president; Carolyn Cosper, secretary. This year's Student Council has certainly done a good job.

Cadet Teachers

Our cadet teachers who are students at Drake University have come to East to gain teaching experience before they go out on their own. They do this by assisting our teachers for one half of each day. We are really greatly aided by their wonderful assistance.

Student Teachers

Appointed by Mr. Gregory for personal character, intelligence and dependability, the student teachers prove themselves extremely serviceable throughout the course of the school year.

These East High students are asked to take over a class in the absence of a regular teacher.

Club Presidents

East High has a variety of clubs to interest every one of us. This year we have two new clubs. Miss Nelson supervises a new business club called "Keys and Ques," and Miss Whitford supervises the new "Mike and Gavel" radio club. It is a real honor to be the president of one of these clubs. These presidents have varied duties; they preside at each club meeting and help plan for special events, such as banquets.

The MidEASterners

Majorettes

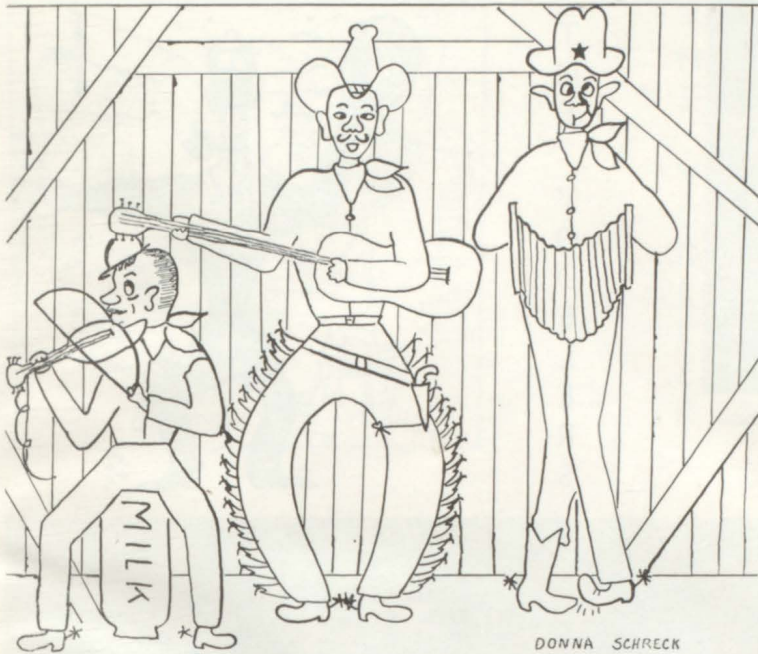

Our majorettes in their colorful red and black uniforms seem to signal the beginning of East High's exciting football season. They are also one of our proud attractions in assemblies. But for the majorettes it is not all play and no work. They must practice frequently and we should not forget that. Our hats are off to this year's majorettes.

Band

No, that's not a big name concert, or even the accompaniment for Eddie Arnold's "Cattle Call" that is heard in room 219 every Tuesday, Thursday, and Friday during fifth hour. It's something even better than that. It's R-B Ranch's band practicing for their many activities. In many of our assemblies, and during half-time, they supply much of our entertainment.

BAND—Flutes: Missildine, Akes, Castings, Brown, Ribbey, Van Sickle; **Clarinet:** Lettington, Berard, Smith, Harvey, Farington, Carter, Eschenbach, Campbell, Dale, Horner, McCleerey, Brown, Taylor, Robinson, Pettit, Skinner, Lambert, Clay, Spora; **Sax:** Sullivan, Howser, Wright, Van Gundy, Patton, Johnson, Steltzer; **Trumpets:** Viggers, Rasmussen, Welker, Stover, Smith, Robuck, Lewis, Webb, Rees, Williams, Price, Schuler, Carmer, Carter, Sneddon, Watters, Brown, Rider; **French Horns:** Blair, Gillis, Griffith, DeAngelo, Ward, Feakes, Ward; **Baritone:** Fjelde, Henderson, Hartung, Day, Smith; **Drums:** Brown, Rice, Villier, Storek, Roe, Ashley; **Bass:** Gourd, Tolbert, McChesney, McBrian, Piper, Mosher, Kersey; **Drums:** Brown, Rice, Villier, Storek, Roe, Ashley.

The Wild West Theater presented on November 10 and 11 one of the best plays ever produced on the East side of the western territory. It was under the excellent direction of Mrs. Juniata Laser.

The play, "There's Always a Murder," concerned a young married couple who rented an apartment in Bostcn. Drucilla, one of the main characters, decides a murder has been committed in their apartment, and proves she's right. She discovers the murderer is coming to their apartment. While she is on an errand the murderer returns and finds her husband alone with an injured foot. He protects himself until the police arrive and nab the murderer.

A friendly argument?

Wardrobe Girls

The Wild West Theater wouldn't be able to operate without the help of the wardrobe girls. They are the ones who keep costumes in order, fix make-up on play characters and in general do the jobs that make our theater presentations neat and pretty. They have many varied jobs which they do very capably to help present better plays.

Assembly Ushers

These cowhands do a great deal in keeping our assemblies quiet and orderly. They are in the assembly room early getting ready to help herd the other cowhands to their seats. They are chosen from Mr. Gregory's homeroom.

The assemblies this semester were up to par, as usual, and were extremely interesting. The pep assemblies were really peppy.

NURSE'S HELPERS—Row 1: Bales, Lammey, Hampton, Cason, Sedars, Rizer, Fredrickson; Row 2: Paulsen, Johnson, Mercer, Katzmman, Hart, Cater, Parsons.

Nurse's Helpers

To these medics goes a lot of thanks from everyone. These girls make up on of the main parts of our ranch system.

These assistants do little jobs that prove of invaluable importance to all hands. They take temperatures, keep records, answer the talking box, and so forth. They are kept pretty busy with cowhands coming off the range with cuts, bruises, headaches, and other minor ailments.

Clerical Staff

These girls are really the Range Runners. They run errands, answer the telephone, check absentees, and do many such jobs. They are always kept very busy doing the various jobs in the office. They are selected from the commercial and business departments, and most of them plan on the same type of work after graduation. By helping in the main office and in Miss Helmreich's office they gain practical experience in what is to be their career. They are very efficient, and the office and school are very proud of them. We all owe a heap of thanks to all these girls.

AT WORK

CLERICAL STAFF—Row 1: Crum, Formaro, Miller, Spora, McGrew, Hansen, Mattis, Baldock, Lewis, Christiansen, Stone; Row 2: Daman, Smith, Katzmman, Grant, Jackson, Gonder, Cramblit, Byerly, Miller, Adams; Row 3: Rounds, Butts, Johnson, Brandow, Gustafson, Keul, Bartlett, Black, Rose, Waltz, Hamell, Overton; Row 4: Gustaveson, Gustafson, Grant, J. Formaro, Harlan, Browder.

LIBRARY STAFF—Row 1: Myers, Hinrichs, Adams, Simmons, Hayes, Palmer, Frey; Row 2: Larson, Peaker, Dennis, Mercer, Feight, Nolte, Aspengren, Miller; Row 3: Waggoner, Bolen, Craig, Wistrom, Hasting, Gould.

Library Staff

The East High library staff, headed by Miss Carrie Larson, is very efficient. She is aided by students of the school who give up their study hall in order to help. There are many various jobs done by these students; among them are the duties of filing book cards, checking books in or out, placing books on shelves, and finding reference material. They also help in straightening up the room.

Cafeteria Helpers

These girls give up their study hall to spend third hour in the cafeteria. During the lunch hour they ring up lunch sales, make change, sell candy, potato chips, and milk. By doing this service for the school these girls are getting valuable experience which will be an asset later on. They certainly should be appreciated for the fine job they are doing for East High.

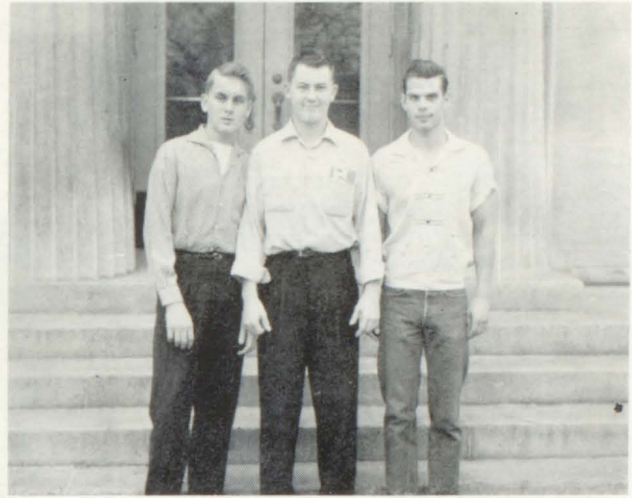

CAFETERIA HELPERS—Row 1: Smith, Young, Drake, Stepp, Froehle; Row 2: Acheson, Ellis, Lamb, Uhlric, Countryman, Bruce.

CANDY SELLERS AND USHERETTES—Row 1: Weisbrod, Bales, Crum, Daniel, Sullivan, Dyer, Thomas; Row 2: Nichols, Turner, Rounds, Tuers, Feight, Davidson, Barney, Miller.

Candy Sellers and Usherettes

The usherettes usher at graduation exercises and at other special assemblies. The candy sellers work during the noon hour in the front hall selling candy, potato chips and peanuts. These girls should be thanked for their fine job.

MESSENGERS: Bergeson, Clark, Beebe.

Messenger Boys

George Bergeson, LeRoy Beebe, and Eugene Clark, who are school board, pool, and movie messengers respectively, are the three boys seen running to and fro throughout the day. They are selected by the office and do important jobs.

Electricians and Movie Operators

The electricians and movie operators keep the lighting controlled for assembly programs and the movie running smoothly. They also help in operating the different machines in classrooms. They are under the capable instruction of Mr. Yount.

General Store

Sharel Tuers heads the general store where pencils, paper, and notebooks can be bought each morning and also Monday evening. A vote of thanks should be given Sharel for her fine job of service with a smile.

ELECTRICIANS AND MOVIE OPERATORS—Row 1: Spora, Penenger, Martin, Lewis, Lewis; Row 2: Blair, Fjelde, Richards, Turner, Lettington; Row 3: Reed, McConnell, Rollstin, Berard.

SUPPLY GIRL: Sharel Tuers

Cafeteria Ladies

About 7 a.m. the cafeteria ladies begin preparing the chow for the noonday round-up of cowhands for grub. They are under the direction of Mrs. Wiggenjost. Working hard to bring you a carefully balanced lunch each day, these ladies are at work till after 3 p.m. Then oftentimes their day doesn't end there. On some days they stay, prepare and serve a dinner to a school organization. All cowhands should say "Thanks, ladies."

CAFETERIA LADIES—Row 1: Wiggenjost, Sinnard, Grant, Allison; Row 2: Esty, Stolmeier, Barnes, Whitfield, Robbins.

CUSTODIANS—Row 1: Hazher, Bjork, Lacy, Roberts, Darnell; Row 2: Boatman, Walker, Malbney, Brown, Johnson, Cay.

Custodians

The custodians are the people who keep our school bright and clean. Their jobs are many, including washing windows, pushing brooms, shoveling walks, opening locks, keeping supplies ready for our use, heating and ventilating the classrooms, and making minor repairs in school equipment. They can be seen around the building any time of the day between 7 a.m. and 3:30 p.m. Answer their cheery greeting and smile with one of your own since we owe them so much.

SPORTS

You'll find the road is long and rough, with soft spots far apart,
Where only those can make the grade who have the Uphill Heart.

And when they stop you with a thud or halt you with a crack,
Let Courage call the signals as you keep on coming back.

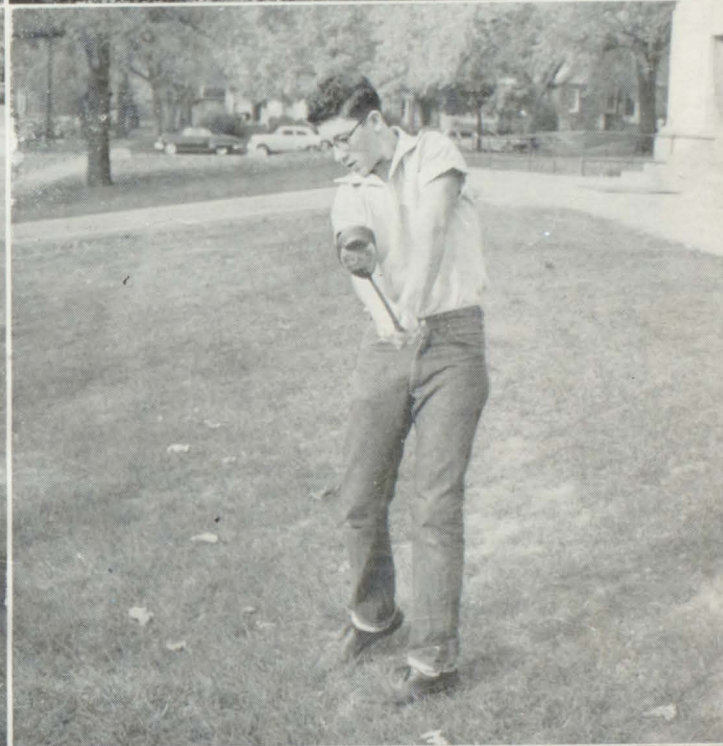

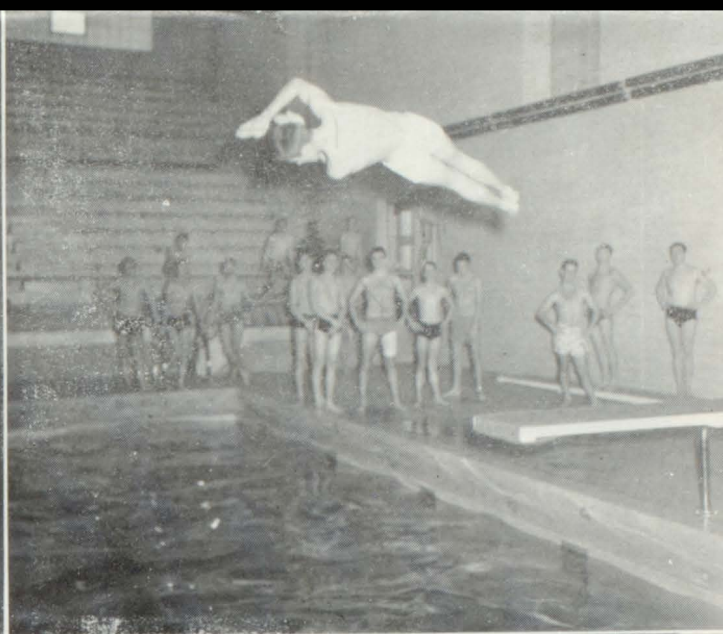

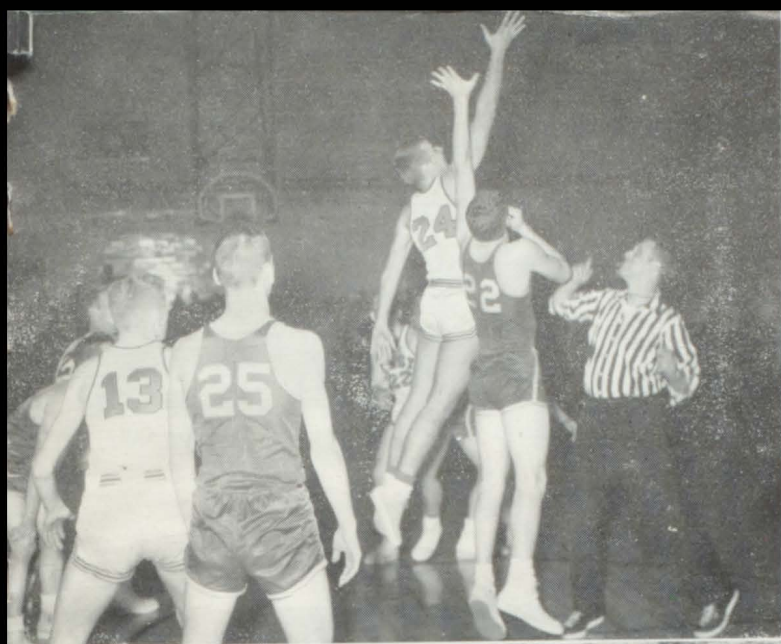

Keep coming back, and though the world may romp across your
spine,
Let every game's end find you still upon the battling line:

For when the One Great Scorer comes to mark against your name,
He writes—not that you won or lost—but how you played the
Game.

STARTING ELEVEN—Linemen from left to right: Beal, Botts, Bain, Collins, Blachley, Biddle, Pierick; Backs from left to right: Ross, McQuerry, Campbell, Sherod.

Season's Record

RAILSPLITTERS ROPED

The Scarlets opened their '55 roundup by roping the Railsplitters with a score of 27 to 6. Denny Ross galloped for two touchdowns while Chuck McQuerry and Rod Campbell collected one apiece. Lincoln's touchdown came on a pass from Barry to Maxwell.

KNIGHTS WIN

The Scarlets were thrown in their second contest by a powerful team from St. Ambrose. Sunderbruch scored twice for the Knights while Healy and Smith picked up one apiece. McQuerry scored both East touchdowns, making the final score 28-13.

WATERLOO WALLOPED

The Trojans of East Waterloo packed their gear and journeyed to East's stadium hoping to throw the Scarlets for their second loss of the season. The scoring cowpokes were McQuerry, Ross, and Pierick. It was a Scarlet victory, ending 26-12.

MASON CITY SCALPED

Next the Scarlets ventured to the Mohawk land, called Mason City, in the North. In a hard-fought battle, the final score, 35-20, showed East on top.

DODGERS DOWNED

The next victim journeyed from Ft. Dodge to try to unhorse the Scarlets' team. In this game, the Scarlets stampeded to a 68-0 victory over the luckless Dodgers.

ENGINEERS CORRALED

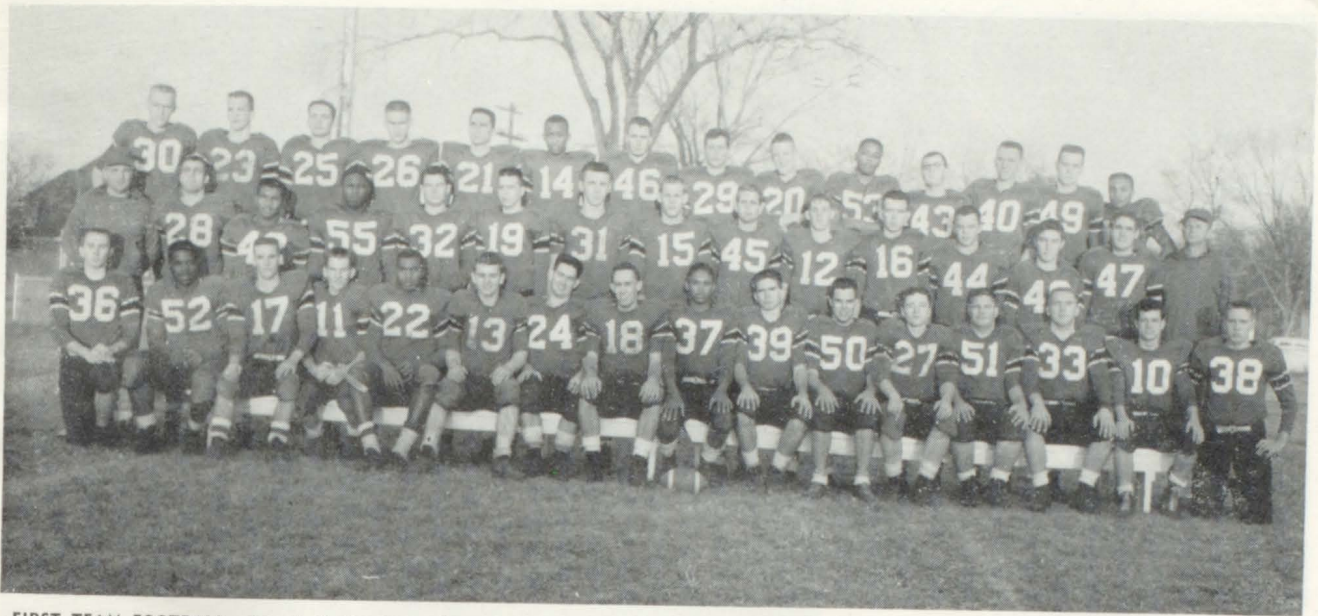

East went on to a second successive scoring stampede against the Engineers from Tech and piled up a lopsided score of 63-7. The mechanics of the Engineers could not loosen the Scarlets' defense enough to gallop for many points.

RIDERS BRANDED

In East's biggest game, the Scarlets went "Westward Ho" to brand the Roughriders from Roosevelt by a score of 31-21. This game was considered the deciding factor in the City Series, as non-victorious North was the only Scarlet foe left to play.

BEARS FAILED

The season's last game, which was to decide both the Big Six and City Series Championship, was played against the Polar Bears from North. East froze the Polar Bears with a championship score of 61-13.

CROSS COUNTRY—Row 1: Hedgecock, Frakes, Graham, Treadway; Row 2: Lewis, Griffin, McGee, Rollstin, McCartney.

Cross Country

Our Cross Country team did a splendid job of representing East High this fall. They made a nice showing in the state and city meets. Some of the outstanding runners were Dick Frakes, Mel Graham, Ray Treadway, Larry Rollstin, Royal Hedgecock, and Mike Griffin. Under the capable direction of Coach Augustine, these boys will continue their fine work next spring.

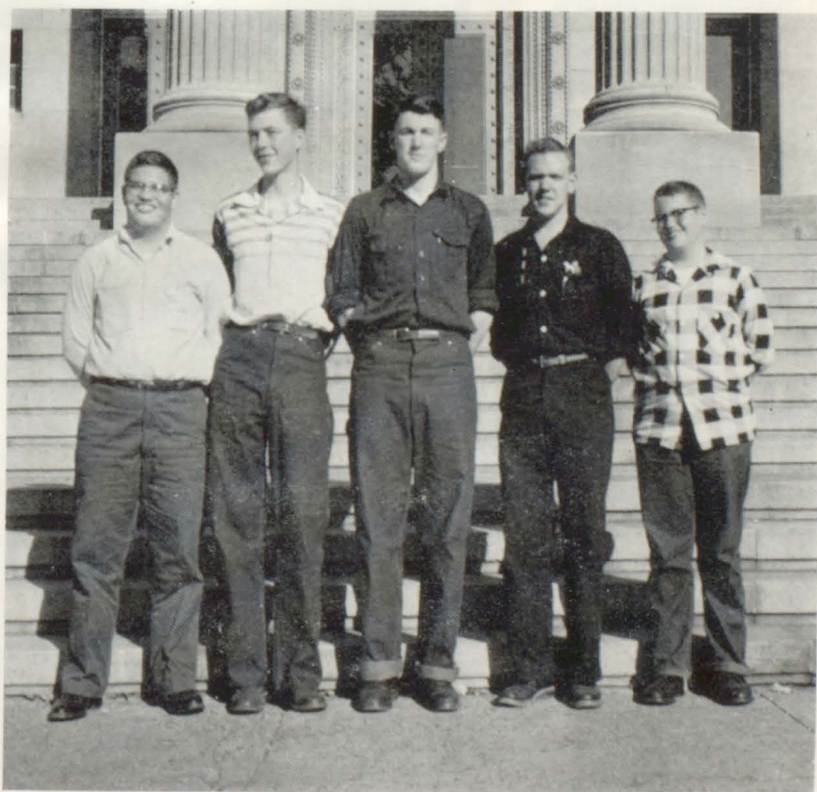

COACH AUGUSTINE

Cage Monks

These boys deserve all the praise that can possibly be given them. They are given many responsibilities and work very hard. Going down to the field immediately after school, they pass out equipment and keep it in order. Under the direction of Mr. Gus Rump these boys have done an excellent job.

COACH RUMP

COACH SPENCER

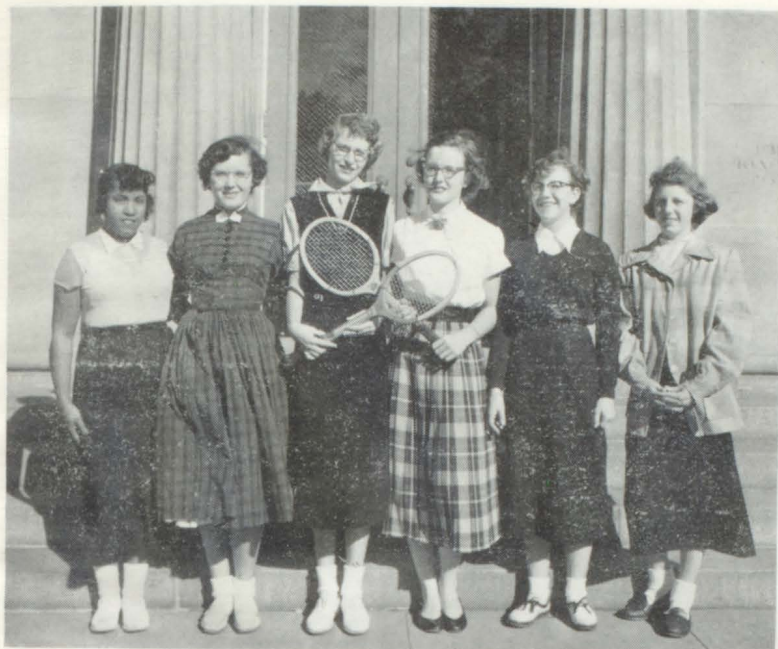

We take off our hats to the cheerleaders who have helped East High obtain the fame of having the finest cheering section in the city. It is one that would put many colleges to shame. Working with the Booster Club, the cheerleaders formed a card section which spelled out EAST. They used this with the chant and the EAST cheer at the Roosevelt game.

Under the direction of Coach Kenneth Stratton, the cheerleaders will continue to lead the students of East High through the basketball season.

G.A.A. OFFICERS: Sullivan, Parsons, Peterson, Kinney.

Though we never hear very much about the girls' sports and too often think that the only chance they have for athletics is in physical education and outside of school, there is a very active Girls' Athletic Association here at East. This organization is open to all of the girls who wish to join and is under the supervision of Miss Helen Spencer, the girls' physical education directors. The four officers are elected by the girls.

GIRLS' TENNIS: Moore, Anderson, Armstrong, Harper, Parsons, Ryun.

Girls' Tennis

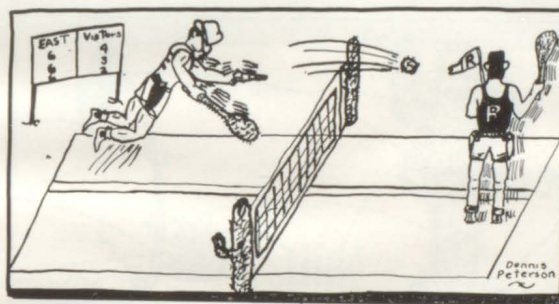

The tennis girls this season did a splendid job. Under the capable coaching of Miss Spencer, these fair maidens from the Bar-East Ranch really worked hard to gain honors in the city singles and doubles. Miss Spencer appreciated the skillfulness and co-operation they showed at all times. Next season they hope to do even better.

Boys' Tennis

This season the Scarlet tennis cow-boys made a fine showing in the city tournament. In this they ranked fourth place. The boys had a new coach this year: Ranch-hand Marty Carlson, who has won fame as fore-man of the basketball men. Next season the tennis boys hope to ride harder and rope an even better position in the city.

Girls' Golf

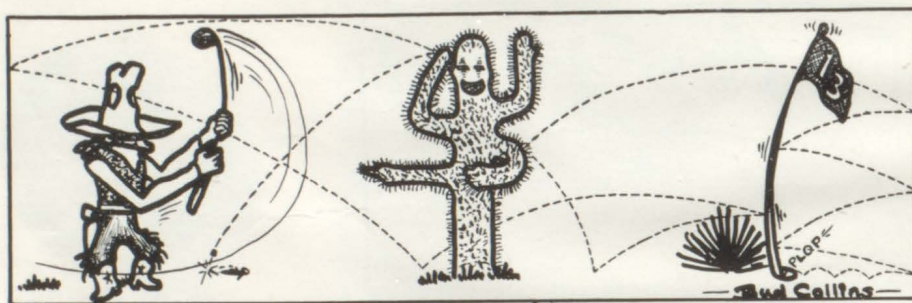

The girls' golf team, under the direction of Coach Minnekus Schakel, made a fine showing in the fall round-up this season. They roped the third place position in the city. The girls were outranked by Roosevelt and by North, but they managed to brand the others. These cowgirls hope to ride the range well next spring.

Boys' Golf

The boys' golf team, which was also directed by Coach Schakel, did a good job in the city tournament. While they were on the range in the fall round-up, these cowboys rode hard and shot straight. Next spring they will pack their clubs and golf balls and ride out to meet the foe with the help of capable reinforcements.

Wrestling

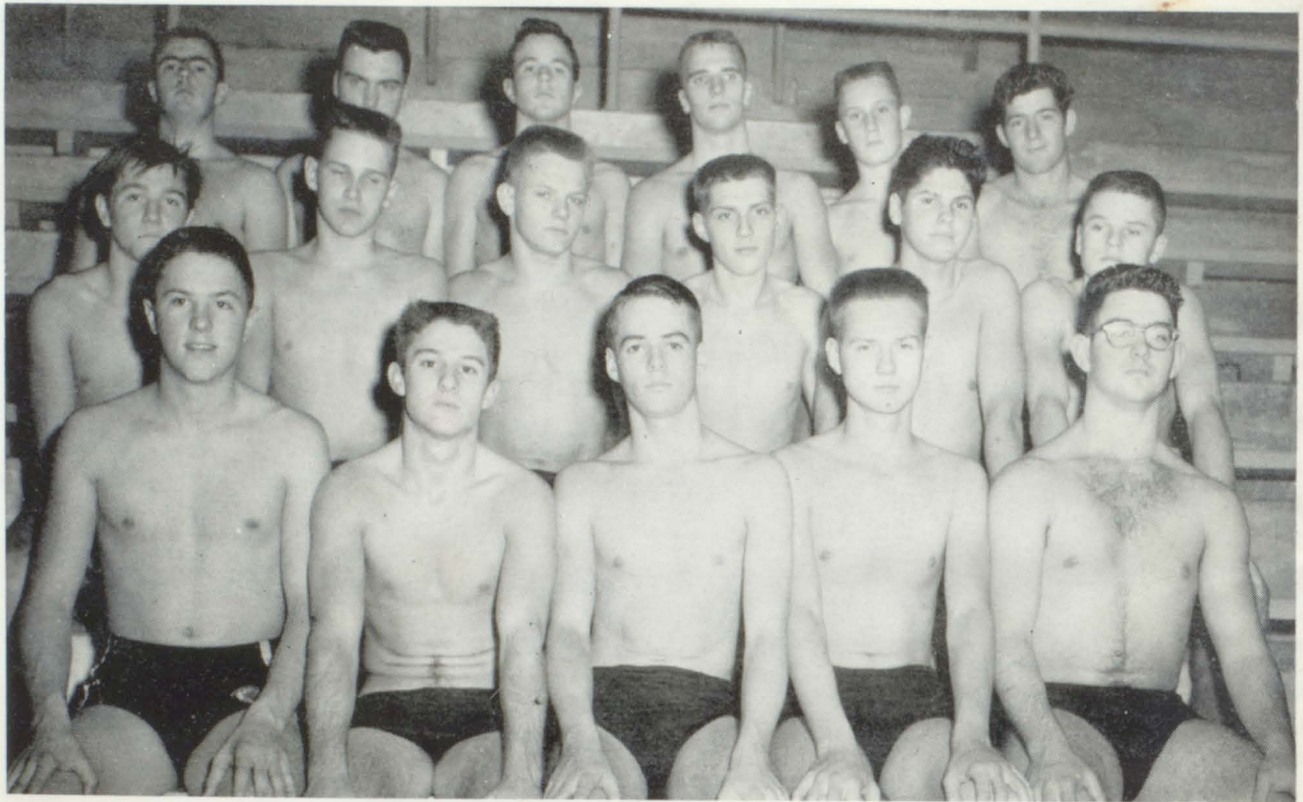

"Oh, My Aching Back!"

Due to the added convenience of the new wrestling room, the team will be inspired to make a fine showing to commemorate the first wrestling season in our new gym. With the help of Coach Gregory, we know that our boys will try their hardest to make this a season East High will long remember.

With the new and wonderful swimming facilities now available here at East High, we are looking forward to a very successful swimming season. Under the very capable direction of Coach Russell, we know that our boys will come up with a team that all of us here at East High can be proud of.

COACH SPENCER

COACH RUSSELL

The newly organized synchronized swimming team is directed by Miss Spencer. Since this is something new at East, many girls tried out. Thirty of these girls made the team. Now practicing to music, they plan to perform during half-time at the swimming meets.

Row 1: Williams, Ellgaard, Thomas, Pierick, Schartner, Liddicoat, Hall; Row 2: Slaybaugh, Peterson, Rasmussen, Heath, Collins, Chandlee, Campbell, Johnson.

COACH CARLSON

"Pumping Pete"

The new gymnasium here at East is regarded as one of the most modern in the state. With the returning of three lettermen — Chuck Collins, Jim Thomas, and Tom Pierick — to the team, our boys will have fine backing with which to begin the season. Under the leadership of Coach Carlson, we hope to come through with a winning team.

Johnson, Dunn, Carrington, Hill, Anderson.

Salesmen

We proudly introduce the hard-working Quill ad salesmen who have made it possible for the Quill to be sold at a low rate again this semester. Their job wasn't easy. They walked through wind, rain, and snow to sell advertising space in our school yearbook. They went to business establishments and they suffered the stage fright brought about by talking to important business executives in busy offices. Those who sold \$25 worth of ads are in the \$25 club. The super salesmen who sold \$75 worth are in the \$75 club.

An elderly woman, visiting the zoo, wanted to ride a camel. The keeper hoisted her up but was unable to make the camel move.

At last, the lady dismounted and started to pet it. Suddenly, the camel went running off as fast as it could. The keeper turned to the old lady.

"Madam," he said, "what did you do to him?"

"I tickled him," she said.

"Well," he said, "you'd better tickle me. I've got to catch him."
